HOW LICENSES WILL BE ISSUED

The 2006 fall wild turkey lottery has been held and there are licenses remaining in 15 units (see listing of units on back). These licenses will be issued on a "first come, first served" basis as applications are received by the Department and as long as licenses last. The Department will begin processing applications on July 26. Applications can be sent online, mailed, or turned in to the Department's Bismarck office. Online and mailed applications will be processed before hand delivered applications each day. (Hand delivered applications will not be processed while you wait. Licenses will be mailed to you.) For online applying, please visit our website at gf.nd.gov.

Remaining licenses are to be considered "additional", regardless of whether or not you already have one license. At this time and by using this form, you are allowed an unrestricted number of additional licenses for the 2006 fall wild turkey season. You may apply for any number of licenses at this time but you must use a separate application for each license applied for. Applications for a first license will have no preference over applications for a second, third, fourth, etc. license. Should we be unable to issue you a license, you will receive a refund.

APPLYING BY COMPUTER QUICK - CONVENIENT - EASY

You can also apply for your first come, first served fall turkey license via the internet — 24 hours a day — 7 days a week. Visa. Discover and MasterCard accepted.
